

MARCUS ^xKÖHLER

Some people

have a natural eye for hairstyle, but others may need a little push in the right direction.

MARCUS KÖHLER

Anyone from major celebrities, sport stars, politicians, and everyday people enlist the help of Marcus Köhler to re-vamp their hair.

Marcus Köhler, born in 1966 works in his own Salons in Germany, either cutting, coloring, or styling hair. He also works global on photo shoots, commercials, and movies - doing hair styles for a desired look.

When **you're** backstage at Fashion Week of Milano, Paris, London or at Mercedes-Benz Fashion Week in Berlin, you're very likely to run into Marcus Köhler and his staff members preparing models for the next runway show.

Passion and fun is always **their** driving force to create the most striking looks...

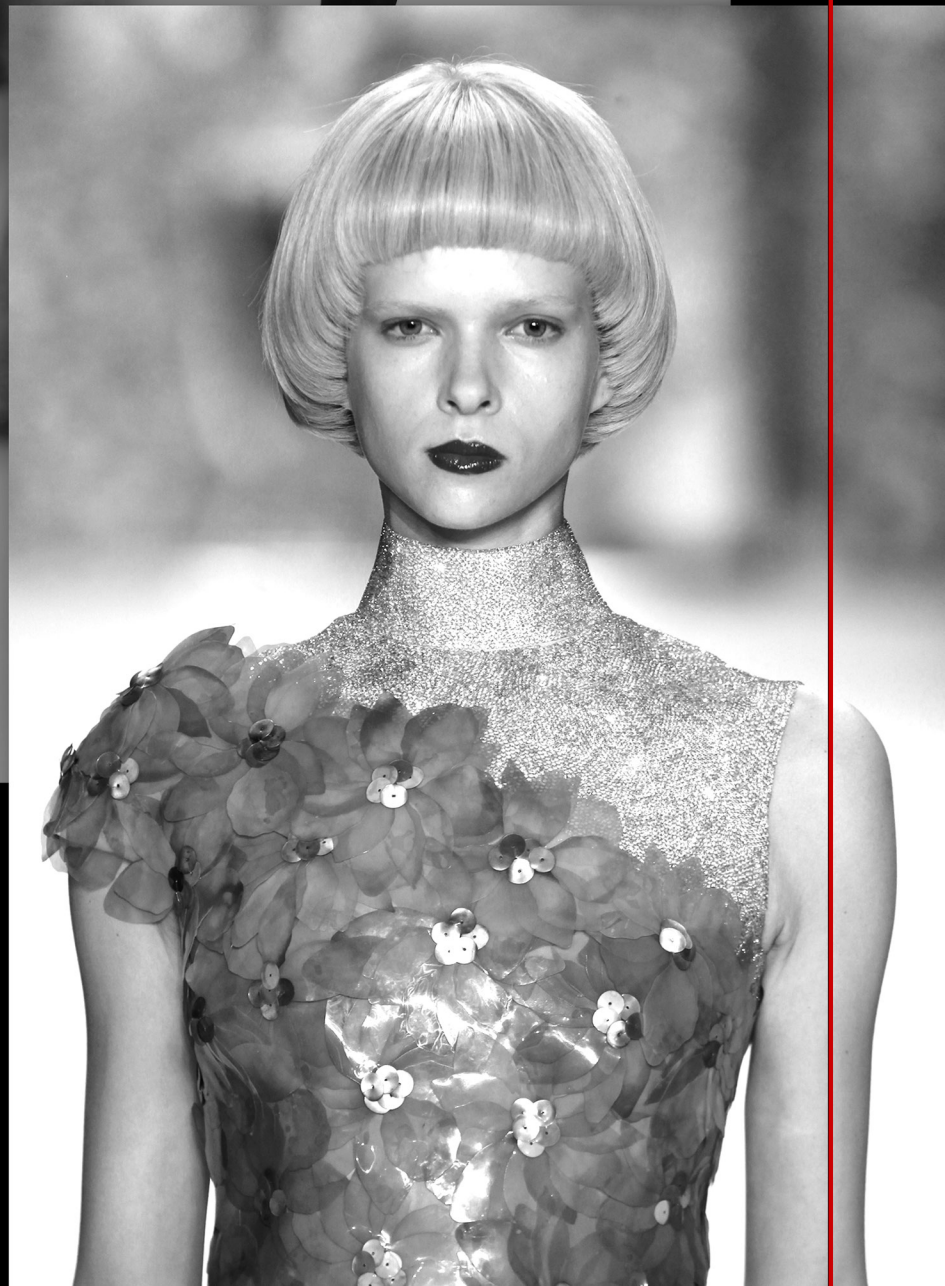

around the world.
